

JERSEY SHORE YOUTH SAILING TEAM, INC. GRANT APPLICATION FORM

JSYT wishes to financially support youth sailors, between ages 15 and 21 inclusive, who have the ability and desire to excel at the collegiate, national, and/or international levels. Coaching, travel, and equipment expenses often prevent promising sailors from reaching the next level of success nationally or internationally. JSYT intends to assist qualified individuals, with need, in reaching their national and international sailing goals.
